

11th Employment Supports Symposium: A Pennsylvania Conference for People with Disabilities

Sponsorship Opportunities

Be a part of the 11th Employment Supports Symposium: A Pennsylvania Employment Conference for People with Disabilities, June 1-4, 2010, at the Hyatt Regency Philadelphia at Penn's Landing, Philadelphia, PA! Help sponsor this most exciting and important event!

Last year's Symposium, the first to be both statewide and cross-disability, was a huge success with nearly 500 attendees and dozens of presentations highlighting local and national best practices and stories of success. The focus of the 2010 Symposium (which continues to be statewide and cross-disability) is building relationships, collaborations, and partnerships with employers and the business community as natural next steps to meaningful employment for all Pennsylvanians... the real future of employment!

A range of sponsorship opportunities are available with various levels and types of recognition in printed conference materials, increased exposure among conference attendees, and / or complimentary registrations. And for significant contributors, special advertising and signage options are available. Consider placing an advertisement in our Symposium calendar which will be given to every participant, sponsoring or co-sponsoring a specific event, or allow us to customize a sponsorship package for you!
