HOW TO HELP

Three steps. APSE has done the hard part.

STEP 1

Pick a legislator

Start with your own legislators. Then pick more from anywhere in the handout, not just the top.

STEP 2

Personalize and send

Add Pennsylvania details to the two-page leave-behind. Adapt the sample email for a state lawmaker's office.

STEP 3

Follow up and report back back

Use the toolkit checklist. Let us know who you reached and what they said.

Contact every legislator, regardless of party.

Find yours at palegis.us

We will email you the full legislator list and the toolkit.
