Pennsylvania State Legislators: Medicaid Outreach Handout

Oct 12, 2026 ·

How to use this list

Please pick one or more legislators below, starting with Philadelphia's delegation, and share APSE's Medicaid work requirements toolkit with their office before Election Day, Tuesday, November 3.

1. Start with your own legislators. Then pick a few more from anywhere in the lists, not just the top, so every office hears from someone.
2. Add Pennsylvania details to the two-page leave-behind in the toolkit.
3. Send it by email or the office contact form. Adapt the sample email for a state lawmaker.
4. Follow up if you do not hear back. Then tell us who you reached and what they said: paapse@apse.org.

Keep it educational: share facts and personal stories. Medicaid work requirements start in Pennsylvania in January 2027, and about 183,000 Philadelphians have already received notices. Need the toolkit? We can email it to you.
